

In Gdansk, 11 of December 2025

**Recommendation letter for Mr. Maciej Maziuk**

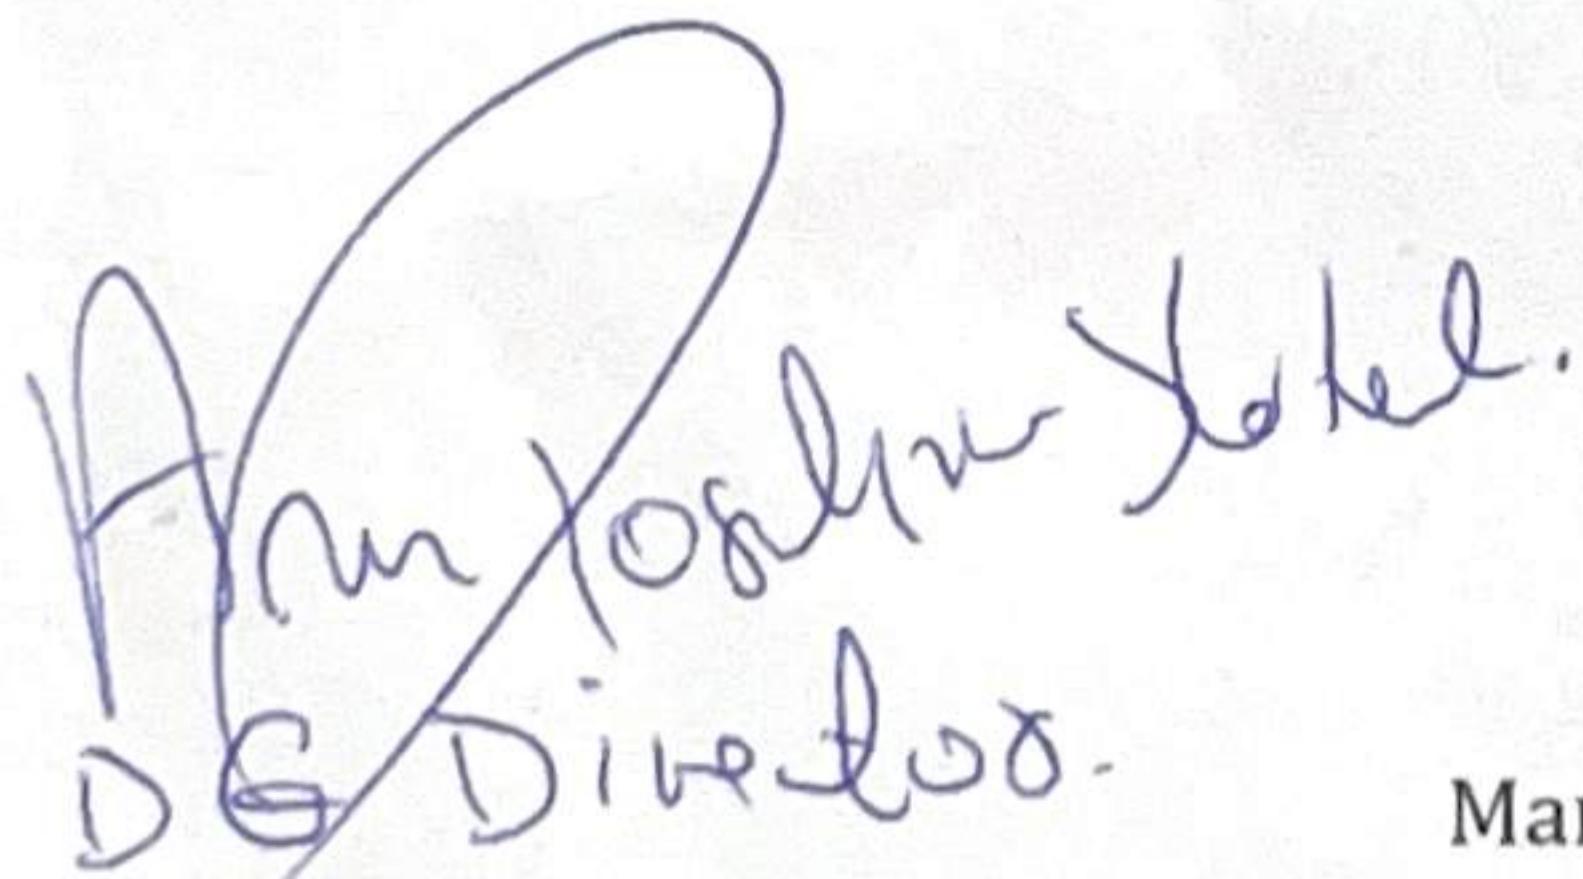

Maciej was employed for a period of 3 months as an Intern in the Hapag Lloyd "Dangerous Goods Department" at the Knowledge Center in Gdansk, from October 1 to December 31, 2025. He worked as a part of a team consisting of 10 members operating on various vessels worldwide.

His daily tasks consisted of:

- Validation and approval of Dangerous Goods bookings offer in different services.
- Ensuring legal compliance of the dangerous goods cargo from origin up to the final destination according to the international IMDG CODE, national/ local & port regulations.
- Timely following open-up dangerous goods cases, bringing technical assistance to our customers.
- Close cooperation with Customer Service Departments, Port Operations and Partner Lines worldwide.
- Close participation in the dangerous goods team meetings.

I met with Maciej frequently to assign him responsibilities and discuss matters related to the maritime transport of dangerous goods. I was pleased with Maciej initiative and ability to meet deadlines. Maciej became a valued member of the team, continuously developing & improving his knowledge, very good overall performance and dedication.

As a team member, he always showed soft skills such as respectful, open, caring, sharing and communicative person, bringing huge positive energy and good mood into the team. We wish Maciej a successful professional career in the near future.
