

Confirmation of attendance

To Whom It May Concern,
This is to confirm that student

Dawid Mikulski

has successfully completed the **Very Early Spring School of Statistical Modeling**, held at the **Faculty of Science, Charles University**, from **January 12 to January 16, 2026**.

The course, led by **Petr Tureček** and **Jan Smyčka**, covered essential topics in **Bayesian statistics**, including:

- Better equivalents of linear regression and ANOVA
- Multilevel models
- Nonlinear regressions
- Information criteria and model comparison
- Data simulation and model testing
- Approximate Bayesian Computation

Throughout the course, the student actively participated in lectures, discussions, and hands-on exercises, demonstrating a solid understanding of the material.

The course is taught under the code of MS107029 (Bayesian Statistics) at Charles University, Faculty of Science, where it is awarded with 2 ECTS. It is a block course that covers 40 hours during 5 days.

If further verification is required, please do not hesitate to contact me.

Mgr. Petr Tureček, Ph.D.
